MUMMY WRAP

You are so special to me. We have been though a lot and you helped me out so much. I'm glad we had lunch and after school to see each other. I'm so proud of you going to state to run track. I hope and pray the very best for you and for kimi. The two of you mean so much to me, I know sometimes I can't put into words what I feel, I'll try. I love and I hope we never loose what we got now.

The Interpersonal Communications Class was an interesting and fun experience for about 25 Cavers this year. Students were taught to understand all aspects of communication. They also worked on public speaking. Mr. Murphy was the instructor for the class. A special part of the class was Mediation Training. Students were prepared to help other students resolve conflicts. This section of the course was taught by representatives from the Golden Hills Mediation Center— Arlend Kirish and David Morway. Mrs. Merino was also instrumental in starting the new program.

CHILDHOOD

Reflecting back I remember the memories Of the child I am from yesterday, I realized I have changed in everyway.

All those childish dreams I put away, And face the reality Of having responsibility.

I guess that's part of our life, Everyone must grow up For everyone has to have a goal in life.

And to lead it into the path of success,
Is to work away on trying to push them further back
At the height of our limitations,
For it is unbelievable what we can
Achieve if we only try.

TRENESSA CAROL BRADY — Finally I am released from this madhouse. It's been fun, and it's been a royal pain. What I will remember most about my senior year will be my portrayal of Appolonia with my good friend Ree-Ree as Susan and I won't mention Brenda. May all who knew me remain proud. I will. Roses are Red, Violets are Blue, I'm one heck of a woman and you know it's true. And to my sweetheart, Grandpa, thanks for everything. Sincerely, Ms. Trenessa Carol Brady.

KEVIN STUART BRODIE - Speech Club 2, 3 President 4, Russ 2, Co-Editor 3, 4, Drama 2, 4, Key Club 3, 4, Varsity Academic Team Captain 4. I'll always remember my years at SDHS - In spite of myself. Some of the better memories were singing Irish folk songs and playing baseball in the layout room, discussing Scientific careers, haircuts, and religion with James, poker parties, and of course, Izod, the Alligator. There were less pleasant things as well. Mrs. Steppar's house, fractured wrists, "Dirty work in high places," and trying to get the first issue of the Russ off the ground. Other good things to remember are all the football games I spotted at and all the money I won in Speech Contests. Thanks, Boddy — you've been more than just a teacher to me, you've been a true friend. Thanks to Matt, Craig and Albert for the rides home, and thanks to Ann and Christina for the rides to school. Thanks also to Kathy and Shauna for being there when I needed a hug, to Gwen and Teral for being there when I needed to laugh, and thanks to Dave S. and Dave C. for being there when I needed to laugh. Other thanks should go to Mr. Banta, for his existence, to Mr. lcardo, for trying to get us to make the most out of ours, to Uncle Tom for not taking fox pelts personally, and to my best friend in San Diego -Conrrad. Mere words cannot begin to express how much our friendship means to me. It's refreshing to find intelligence, humor, and musical taste all rolled into one. Don't slip away. I should pass along a special thanks to Elizabeth, for attending the prom with me. As I write this, no plans are final, but I am overjoyed, honored, and flattered that you accepted my offer. Thank you so much. There isn't a girl at this school (or any other) I would rather go with. Well, '85, take care and good luck to you - it's been artificial. As for me, I'm going to sell all of my belonings, move to the foothill of Outer Mongolia, and preach to rocks. Chances are, I won't be back for the reunion.

SHAUNA M. CATES — So this is it. Funny, I don't feel any different. Many thanks to Williams (Ken-Gi), Bickley (Joe Hedonist), Icardo and Carr. Burnett — "?" (Hint — my 10th grade annual). Gwen Ghosties forever. What happened to the 1984-85 Thespians? Slipped into the twilight zone, huh? May you choke on the Thompson Twins hon. The pangs of despised love, even the same first names. That's scary! Aren't we schoolgirlish? "5.R." Can we have lessons in being perfect? Ha! Craig my true love. If we get married, they'll call you Oga-Boga Man. Remember at Bob's and then walking in that park in Clairmont? That, I'll remember. Mac — I'm waiting for U2 in '86. If you get lung cancer, I'll feel responsible. Hugs and fishes to fellow Seniors: Monica, Justin and Simon, Snake-Man Stamper, The Spitz, Kevin Neal Stuart, Robert Robert, Sherri, Brother Tony, CATER, and Albert. All my sympathy to 86ers and 87ers: M.C. P.G., R.F., P.M., E.B., M.M., F.B., M.S, and H.W. TO THE CLASS OF 1985 So long. Fly low and avoid the

ROBERT DOCKERY — Whazzs up? So this is it? no more? After 12 years? You mean I don't have to worry about who's under cover, anymore? That's cool!! Gonna miss the sessions with the crowd . . .! Gonna miss all the chances to ask the girls. Gonna remember all the antics. Ganna remember the girls. Gonna remember trying to guess who the narc was. The teachers are rad. A couple lustful. Don't wanna remember the bust. Gonna remember the teachers teachings. The School Senior Spirit dwindled! To all those beautiful women, I wanted to get to know but never had the guts to ask. Gonna remember making you wonder. Prediction: This generation is our generation, and were gonna take it by storm. Already I miss those Tightbuns in 501's!! To all those who think I don't, won't, didn't or haven't cared. You'll be suprised to hear I do , did, have, and always will. Gonna remember Icardo's philosophy. Yes I might of been, but so were you. Rock and Roll will never die, and neither will the memories from the Class of Nineteen Hundred and Eighty-Five!!

Whether or not we know it now, everything will be alright, it will follow our expectations, and I'm going to expect a lot! S.M.C. They're going to give you roses! T.L.: It will come! K.B.: Counselors write books, tool (God, what is this?!) Ah, what dif-ference does it make? "Whether 'tis nobler in the mind to suffer the slings and arrows . . . " — there we go! DEBBIE SMITH — I have enjoyed the class of 1985. Even though it wasn't all that great, But I still enjoyed it. DAVID SPITZER — I suppose if you're reading this, you're probably bored looking at the pictures already. Well that's kind of symbolic because I was bored when I started to write this. Well lets don't waste time. I suppose what you expect to find in here is something about yourself. Some kind word about our lasting friendship. Give it up. This is about me. Well actually it's about life. Statistically speaking, within the next 10 years, 50% of this graduating class of mine will obtain a drug addiction, die in an auto accident, or change their name and move to a foreign country to avoid criminal prosecution. So for those of you who don't make it to the 10 year reunion I just want to say, "At least there will be more refreshments for the rest of us!" As for me, I'll be the forever wanderer of this country. I'll be the guy your kids call, "Uncle David." I'll stop in every other Holiday season, bringing gifts from all the places I've been. From the deserts of Egypt, to the shores of Tripoli. If you don't hear from me soon, don't worry, I'll be in the foothills of Outer Mongolia, searching for Kevin Brodie. I'll be trying to collect the money he owes me.

MATT STAMPER — The senior year is one that permanently marks our lives. I owe a lot to many people at this school. I thank Mr. Boddy and Mr. Williams for helping me to see things as they really are. To James, Paul, Albert, Thurman, and Ken (the gang) I have the cigars you bring cards. To the others GG, KO, SC, DH, HH, HH, and Mr. Hubbard. It has been great knowing all of you. I hope that the future will not separate us but if it does we will remain friends in spirit. I look forward to the years ahead and the experiences that I will encounter.
